

Chapter #116 Sacramento AIR FORCE ASSOCIATION

An Independent Nonprofit Civilian Education Organization

Februray 2021

2021 College Scholarship Program For College Students

The Air Force Association, Chapter 116 of Sacramento, has for the past fifteen years, awarded over \$273,000 in college scholarships to high school and college students from the Sacramento region. Approximately 5 scholarships have been awarded annually, ranging from \$1,000 to \$5,000. The Chapter scholarship program serves to encourage youth of the community to pursue studies in aerospace related fields such as science, technology, engineering and mathematics.

This letter announces our 2021 college scholarship program for **college students** who are currently enrolled in a four year degree program, or are planning on transferring from a community college to such a program in the fall 2021.

Application Criteria & Selection Process

Scholarship applicants must meet the following criterion:

- The Student must be from, or attending school in the Sacramento region.
- Minimum college GPA of 3.25
- Enrolled in or enrolling in a four year college or university as a full time student, in fall 2021.
- Pursuing a four year degree or course of study related to science, technology, engineering or mathematics. Students enrolled in other degree programs and/or ROTC may apply and will be considered if their course of study supports or compliments the needs of the military.

Applicants meeting the above criterion will be rated on the content and quality of a personal essay, community involvement, demonstrated leadership, extra-curricular activities and academic achievements. This determines an applicant's ranking. Final selection and value of scholarship is based on ranking and selection category. There are two Selection categories: 1) Air Force Association affiliation and/or AFROTC and 2) Other. The AFA affiliation category includes AFA members and their dependents, including children and grandchildren, or AFROTC cadets. The Other category includes all other eligible applicants.

Applications must be postmarked by 1 June 2021. Selection and notification will occur shortly thereafter, with scholarships being presented in late June 2021. Proof of enrollment is required prior to scholarship check being disbursed to the student. Normally, no more than two scholarships will be awarded to any student. A waiver to this policy may be considered if a student can document unusual circumstances.

Scholarship applications and information regarding Air Force Association Chapter 116 membership, activities, sponsors, etc. can be found on our web site, <http://sacafa.com>. For questions regarding the Scholarship program, contact Ray Coughlin at (916) 989-4226 or Ray Coughlin at cabman7@sbcglobal.net.
